

About the College

A premier Co-educational institution of North India, DAV College, Amritsar has high academic standing and a reputation for excellence in teaching and research. The College is proud of its alumni, a large number of whom are occupying senior positions as bureaucrats, armed forces officers, IT professionals, researchers and business tycoons.

A gateway to academic and professional excellence, this multi-faculty, multi-facility postgraduate college is famous for providing cutting edges to academic and co-academic skills through its commitment to innovative and student-friendly initiatives. The college has created an imitable academic space for itself within nearly six decades of its monumental existence.

Keeping pace with the changing times, the college has its focus on developing skills of students and providing them suitable employment through campus placements.
