Our Chief Guest

Our esteemed Chief Guest, Smt. Sakshi Sawhney, IAS, first woman Deputy Commissioner of Amritsar has graciously joined us today for the 67th Annual Award Presentation of the College. She is an exemplary officer who is unique in her quality of service to this region and our Nation. She embodies virtues and values in such a profound way that her presence will ignite many minds today. Her presence is going to be impactful for many award winners. We are grateful to Almighty who has bestowed upon us this opportunity to learn from her wisdom and experience.

Smt Sawhney is a government official par excellence, a pillar of governance, a torchbearer of change and a guardian of public welfare. Through her relentless dedication, she uplifts communities. She works tirelessly to ensure justice, equality and progress for all. She is an example of extraordinary commitment. She is a person of remarkable intellect and insight. She secured All-India 6th rank in UPSC Civil Services Examination of 2014. Her father is a former Indian Revenue Services officer and her mother a school Principal. Her sister is a banker.

Prior to joining Amritsar, she served as Deputy Commissioner, Ludhiana and she had the privilege of becoming first Woman Deputy Commissioner of Patiala. Shortly after joining Amritsar and in

association with Municipal Corporation, she launched a QR-coded Heritage Walk around Heritage Street in 2024. The QR-codes at 14 different tourist spots are ready-reckoners of information for the tourists. She has also launched a Shark Tank-style platform for the marginalized and disabled communities in Amritsar. Her vision focuses on skill development, employment and livelihood for the youth. Under her leadership, the district has launched an initiative called Future Tycoons which is designed to provide individuals with disabilities and weaker sections a platform to showcase their business ideas. This initiative is an opportunity for people who are talented and have brilliant ideas but lack access to platforms or mentorship. Citizens are being motivated to come forward to present their ideas. The selected citizens then receive 15 to 20 days of mentorship, including training on how to present their ideas effectively. As Deputy Commissioner Patiala, she successfully implemented this idea. Her relentless working during 2023 floods in Patiala establishes her exceptional identity.

Beyond her administrative achievements, she embodies the values of humility, perseverance and selfless service. It is her passion for change that makes her a true role model. Her story reminds us that true leadership is about service and real success is measured by the lives one uplifts.

On behalf of everyone present here, I extend my heartiest gratitude to the Chief Guest of the day, Hon'ble Smt. Sakshi Sawhney, for gracing this occasion with her benign presence. We eagerly look forward to hearing her insights and learning from her journey.

Jai Hind!

Smt. Sakshi Sawhney
IAS

Our Guest of Honour

Our honourable Guest of Honour, Prof. (Dr.) Saroj Arora, Dean, College Development Council, Guru Nanak Dev University, Amritsar, has solicitously consented to be part of the 67th Annual Award Presentation of the College. She is a Professor of Botany at GNDU, Amritsar. She has more than 32 years of teaching and research experience. Her achievements and accomplishments make her academic career distinct. She has many academic honors and awards to her credit. She has made significant academic contribution in the form of research articles in 192 journals of national and international recognition, 33 book chapters, and 11 research projects. She is member of 16 national and international academic bodies and associations. She has guided more than 25 PhD projects. Her expansive academic experience makes her an influential academician. Talking about her traits as a human being, she is humble, down to earth,

and compassionate. It is a matter of immense honour and joy to have a person of such a stature amongst us today. We sincerely believe that her presence will make a substantial and profound difference to this gathering. Her achievements send a message of inspiration and motivation to all our distinguished achievers present here today. Her consistency and dedication towards work and education will motivate our students to work with perseverance and sincerity. On behalf of everyone present here, I welcome our worthy Guest of Honour Prof. (Dr) Saroj Arora. We are really humbled to have you amidst us today. We extend our heartfelt gratitude for gracing this function with your presence.

Prof (Dr.) Saroj Arora
Dean, CDC, GNDU

Principal's Message

Dear Award Winners,

Congratulations on your well-deserved success! Your hard work, dedication, and perseverance have led you to this remarkable achievement. Your winning this award is a recognition of your talent and also a testament to your commitment to excellence.

The College is proud to give away the awards for excelling in academics, sports, co-curricular activities and other myriad events.

I take pride in sharing with you that the Institution's Innovation Council (IIC) of our College has been awarded a prestigious 3.5-star rating by Ministry of Education (MoE) Government of India. Our College is among the selected few colleges to have received this honor. I am proud to see many of you exploring new ideas, developing unique solutions and aspiring to bring meaningful change through entrepreneurship. Our Institution strongly encourages and supports students in filing patents, launching startups and transforming ideas into reality.

We have given opportunities to all our students so that they realize their true potential and get ready to face the professional world once they complete their studies.

Dear Achievers, as you celebrate your accomplishment, remember that this is just the beginning. Let this award serve as motivation for you to aim higher, dream bigger and continue striving for excellence in all that you do. May you use your success as a stepping stone to greater achievements in the future.

Congratulations! Keep shining, keep inspiring and never stop learning.

Jai Hind!

Dr. Amardeep Gupta

Internships/ Apprenticeships: 2024-25

The College has been active for the last many months in providing Internships/Apprenticeships to the students of UG and PG classes. Internships and apprenticeships provided by the College help the students excel by offering hands-on experience, bridging the gap between theoretical knowledge and practical application. These programs enhance students' skills, build their professional networks, and improve their employability. By working in real-world environments, students gain industry insights, develop confidence, and learn to adapt to workplace challenges. The details of Internships/Apprenticeships organised are given below:

S.No	Name of Company/Institute	No. of Students
1	IIT Bombay	02
2	IIT Ropar	01

COLLEGE LIBRARY

Information & Activities:

- The College has a spacious Library, automated and well stocked with more than **83000 books**. It provides air-conditioned, well-lighted and sound-proof reading environment to its readers. It functions from 8.30 am to 4.00 pm on regular working days.
- **AUTOMATION**
Equipped with 7 computers (6 terminals and 1 server), connected with LAN networking, having Alice for Windows Version 6.00, Library Automated software. Issue and Return is done with Bar Code Scanner. The Library has internet facility for the staff.
- **KIOSK**
Efficient and quick information of the availability of Library books has been provided to its readers. The availability of Digital kiosk to provide self-accessed enquiry (OPAC) is a unique feature of the College Library.
- **E-RESOURCES**
E-Resources are the need of 21st century and to cater this need, the Library ensures access to E-resources through NLIST, a programme of the INFLIBNET (Information and Library Network), Ahmedabad, to its readers. The readers can access 1,95,809 e-books and 6792 e-journals through NLIST. They can get the username and password from the library office and access it from anywhere and at anytime. **355** e-resources have been viewed by the various readers through NLIST. Moreover, *ePG-Pathshala* and *eShodhganga* are the salient features of NLIST for the researchers to get the theses for their research.
- **STAR READER OF THE LIBRARY**
The College Library selects its most regular students of the Library as **STAR READER OF THE LIBRARY** every month to motivate them to develop their books reading habits. This is the first time that not only boys and even girls are also participating in the above and becoming the star reader.
- **READER'S CLUB**
A Reader's Club has been generated by the members of teaching staff of various faculties to motivate maximum students to widely use the Library resources and also explore e-resources through NLIST. A new exercise, i.e.

Book Review by the students, has also been started so as to encourage the students to write the review of any book of their choice. The top 3 students with best reviews are honoured and rewarded.

• **HONEST CORNER**

A very useful corner has been set up for the benefit of the students and also to judge their honesty. To use this section, students need not to go and ask for the book to the Library Officials. They can take the books from the almirahs of the above corner for reading and keep on its respective place after the reading at their own. The students enter their entry along with book number in the respective register and sign.

• **LIBRARY MEMBERSHIP FOR OUTSIDERS**

Our College Library has introduced **Library Membership Facility**, a privilege to be granted to external users i.e. our alumni and outsiders (with reference) to access library resources for the preparation of competitive examination in a peaceful environment.

• **RARE BOOK SECTION**

A section with old and rare books has been set up for the reference of students. These books are rarely available in the market or any other libraries.

• **Book Exhibition**

The Library organised a Book Exhibition for the students in 2024 to introduce them to the new books. More than 200 students selected the books of their choice in this exhibition.

The Library organised a one week workshop from March 03- 10, 2025 on how to use e-resources to access National Library Information Services (NLIST) under INFLIBNET.
