Appeal for Funds – COVID-19

Dear brothers & Sisters,

As you are aware that our country is threatened with the spread of COVID-19 (corona virus) epidemic, which has already been declared as a pandemic by the World Health Organization, unfortunately, many precious lives have been lost in different parts of the world including India and the number is increasing day by day. No country has been able to develop any vaccine against COVID-19 till date. Hence, the Government of India has declared a curfew (lockdown) till 14th April, 2020 so that social distancing besides other measures can be implemented for containment of COVID-19 Epidemic in the country.

In this grim situation, we should extend all possible help to the people of our country to tide over this calamity and rebuild their lives. DAV since 1886 has always been live to meet the challenges thrown by any natural or national calamity. As we did earlier in case of the earthquake at Gujarat & Pauri, the Odisha tragedy, Tusunami disaster and floods in J&K & Bihar, the staff and students of DAV donated in the form of cash, kind or voluntary service. This being one of the most trying times, let us together, once again, rise to help the Nation in need.

Heads of DAV Institutions, Teaching & Non-Teaching Staff (Colleges, Professional Institutions, Aided Schools, Unaided Public Schools and the DAV University) and the DAV Alumni are requested to donate one day's salary or more as per his/her wish as donation for this noble cause and deposit the consolidated amount electronically **only through RTGS** to:

"DAV College Managing Committee Relief Fund"

Account No. 02822191013625 , IFSC Code No. – ORBC0100282

in Oriental Bank of Commerce, Paharganj, New Delhi

latest by 15th April, 2020. No cash shall be accepted by DAV CMC. However, this amount should be strictly collected on voluntary basis. The amount collected will be deposited in the **Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM-CARES Fund)**. So let us stay indoors, stay healthy, and stay safe and play a meaningful role in India's war against COVID-19.

May God bless you especially with good health! I will be praying for you.
