

Minutes of the meeting of IQAC on 30.05.2023

- Feedback on the internal Hackathon which was conducted in the month of March 20 to 22, 2023 discussed. Principal Dr. Amardeep Gupta appreciated the department of the Computer Science for the efforts.
- Dr. Gupta also informed the members regarding the Internship/ Apprenticeship provided to the students of various classes with the efforts of IIC (Institutional Innovation Council).
- Dr. Gupta praised the departments of English and Philosophy for conducting ICPR sponsored two-days National Seminar on Bioethics and Disability in April, 2023.
- One day NAAC sponsored Seminar was also conducted by the IQAC during the month of April, 2023.
- Feedback on the two days Sports Day conducted on 4th and 5th March, 2023 was discussed in detailed.

It was decided during the discussion:-

- Talent search competition should be conducted among the students.
- The departments must be asked to arrange educational and Industrial tours.
- Hands on Workshops will be conducted by collaborating with MNC and Technical Experts by various departments.
- IIC will conduct workshop on entrepreneurship.
- Internships will also be provided to the students of 1st Semester.
- Workshop on IPR will be conducted by Economics department.
- Hands on training on the subject GST will be conducted by Commerce department.
- Separate classes and tests will be planned for academically weak students.
- Special attention will be given to the meritorious students by conducting special tests and assignments.
- Short term courses/bridge courses must be planned during summer vocation by various departments.
- It was proposed to divide the students of different discipline in four house & academic and co-curricular activities will be arranged among these houses.
