Our Vision ...

To make our motherland an intellectually formidable power-house by creating a cadre of motivated and prospective individuals, who become catalysts of change through education, which is value and need-based, which is technologically driven, collectively-constructed and dialogically explored, which is globally relevant and yet essentially rooted in the matrix of Indian philosophy and its holistic world-view of vasudheva kutumbkam...

Our Mission ...

To offer a wide range of higher education in tune with the needs of industry, business and administration leavened by strong commitment to excellence and creativity in teaching and learning, which is responsive to regional, national and international needs and aspirations...

Message

My dear Students,

I welcome you to DAV College, Amritsar, a premiere institute of North India for the last seven decades. As you take the first step towards shaping your future, we are honored to be part of your academic journey. Our institution stands as a beacon of knowledge, discipline, and growth, committed to nurturing not only scholars but also responsible citizens.

With a strong emphasis on academic excellence, character development, and holistic education, we strive to create an environment where students can explore their potential, embrace new ideas, and prepare themselves for the challenges of tomorrow.

At this College, excellence in education goes hand in hand with a forward-thinking approach to innovation. Our dynamic curriculum is designed to meet the demands of a rapidly changing world, blending strong academic foundations with real-world applications. From research-driven learning to cutting-edge technology integration, our students are equipped not just to succeed today, but to lead tomorrow.

I take pride in sharing with you that the Institution's Innovation Council (IIC) of our College has been awarded a prestigious 3.5-star rating by the Ministry of Education (MoE) Government of India. Our College is among the selected few colleges to have received this honor. I am proud to see many of you exploring new ideas, developing unique solutions and aspiring to bring meaningful change through entrepreneurship. Our institution strongly encourages and supports students in filing patents, launching startups and transforming ideas into reality.

The College focuses on the holistic development of every student- academically, socially, emotionally, and professionally. Our students benefit from internship and apprenticeship opportunities that provide hands-on exposure in their respective fields. The students and faculty members secure patents for innovative projects and research developments. By collaborating with reputed organizations and industry partners like IIT Ropar, we ensure our students gain practical skills, industry insights, and professional confidence.

Alongside a strong academic foundation, it provides a wide range of opportunities in sports, cultural activities, and leadership programs. Through personalized mentoring, skill-building workshops, and real-world exposure, it nurtures confident, responsible, and well-rounded individuals ready to thrive in a competitive world.

I extend my sincere gratitude to our dedicated and supportive staff members, enthusiastic students, and the wider College community. Your unwavering support and trust empower us to grow stronger together, year after year. It is through this collective effort that we continue to achieve excellence in academics, co-curricular activities, and beyond. At the heart of our progress is a shared commitment to nurturing young minds and fostering an environment of curiosity, creativity, and character.

Dear students, I invite you to be a part of this enriching journey. May your time here be filled with meaningful learning, personal growth, and lasting memories. I wish you the very best as you embark on your journey toward a bright and successful future. With confidence in your abilities and faith in your potential, I wish you boundless success in every endeavor you pursue.

May God Bless You!

Dr Amardeep Gupta

Department Libraries

Besides the main library, the college has set up Departmental Libraries in Biotechnology, Botany, Chemistry, Commerce, Computer Science & IT, Economics, English, Hindi, History, Mathematics, MCVP, Philosophy, Punjabi, Physical Education, Physics, Political Science, Sanskrit and Zoology departments that offer the teachers and students comfortable reading space and an easy access to department books.

The College emphasizes faculty development through research projects, industrial and field visits, faculty exchange programs and extension lectures. Many faculty members are actively engaged in major and minor research projects. The knowledge and insights gained are shared with the business and industrial sectors through consultancy services.

- ♦ Dr. Amardeep Gupta, Principal of the College, has been granted a patent by the UK Government for his innovation titled "Sensor-Based Robotic Display for Interactive Marketing".
- ♦ Dr. Sunny Thukral, Assistant Professor in the PG Department of Computer Science & IT, has been granted a patent for a simple yet innovative software designed to identify symptoms of Celiac disease (wheat allergy) without the need for costly and invasive testing procedures.
- ♦ Dr. Shivani Sanan, Assistant Professor in the PG Department of Mathematics, has been awarded a patent by the Government of India for her work on the "Hybrid Genetic Sine-Cosine Optimization Model." This patented model is designed to assist healthcare organizations in creating cost-effective and sustainable workforce management plans, leading to delivery of high-quality healthcare services to all patients.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) is a vital component of our institution's commitment to quality enhancement and academic excellence. Established in line with the guidelines of the National Assessment and Accreditation Council (NAAC), the IQAC serves as a catalyst for formulating and implementing strategies that foster conscious, consistent, and catalytic improvements in both academic and administrative domains of the institution.

The IQAC cultivates a culture of quality by setting and applying benchmarks for various academic and administrative activities. It actively supports innovative practices in teaching, learning and evaluation, encourages the integration of modern technology and facilitates faculty development programs. The cell also plays a key role in creating a learner-centric environment that promotes participatory teaching and learning, enabling faculty to adopt emerging knowledge and technologies effectively. Regular feedback is collected from students, alumni, faculty, and other stakeholders to inform institutional planning and drive continuous improvement. The IQAC is instrumental in preparing the Annual Quality Assurance Report (AQAR), coordinating accreditation processes, and ensuring a participatory approach to quality enhancement.

Additionally, the IQAC periodically conducts Academic and Administrative Audits, along with follow-up actions to address findings and strengthen institutional practices. Through systematic documentation and evaluation, the IQAC contributes significantly to the overall development and accreditation readiness of the institution. Its sustained efforts play a crucial role in strengthening accountability and transparency within the institution, ensuring that academic and administrative practices are aligned with both national quality frameworks and global standards. Through these initiatives, the IQAC actively supports and reinforces the college's mission to provide a value-based, holistic education that prepares students for responsible global citizenship.

Pitch, Hit & Repeat

Elaborate arrangements are in place at the college for various physical activities, under the able guidance of Principal Dr. Amardeep Gupta and the supervision of the Sports Department. Students who distinguish themselves in sports are not only awarded prizes and the prestigious College Colour but are also granted fee concessions and other facilities, wherever deserving.

Comprehensive facilities for a wide range of games have been developed at the College Sports Complex, located at Shastri Nagar, Lawrence Road, Amritsar. Distinguished players are further supported as they are sent to various coaching centers for advanced training.

The Annual Sports and Athletic Meet is held every year as it serves as a platform to test the physical fitness, endurance, and athletic skills of the students. All students are strongly encouraged to participate and showcase their abilities.

National Service Scheme 'Not Me But You'

The aim of NSS is to develop among the students a sense of participation in nation-building by providing a creative outlet to their energies. The College has four units of NSS with one hundred students in each. Four Programme Officers look after the department. The students are advised to join NSS in large number so that they may get involved in the grand task of National reconstruction.

INSTITUTION'S INNOVATION COUNCIL

The College has active Institution's Innovation Council that promotes innovation, entrepreneurship and IPR among the students and the faculty round the year. Institution's Innovation Council (IIC) systematically fosters the culture of innovation and start-up ecosystem in the institution by engaging a large number of students and faculty members in various innovation and entrepreneurship related activities such as ideation, problem solving, proof of concept development, design thinking, IPR, project handling and management at pre-incubation / incubation stage, etc., so that innovation and entrepreneurship ecosystem gets established in the institution. IIC of the College organizes many activities including webinars, expert talks, field visits, hands-on-trainings, competitions and also offers Internships / Apprenticeships to the students.

National **C**adet **C**orps

Cadets Today, Leaders Tomorrow

The College maintains two units of NCC Infantry, two units of NCC Naval Wing and one unit of NCC Air Wing. The students can join any of the three wings of NCC. A student having zeal to develop discipline, leadership, spirit of adventure and ideals of selfless service can opt for NCC. A cadet can get 'B' and 'C' NCC certificates in two and three years respectively. For certificate exams, a cadet should have attended not less than 75% of the parades, and must have attended one camp for 'B' certificate exam and one additional camp for 'C' certificate exam.

Alumni Association

DAV College, Amritsar has a strong Alumni Association, patronized by Dr Amardeep Gupta, the Principal and Dr Narotam Bhalla, the President. Every passout from the College automatically becomes a part and parcel of the entire DAV family. The alumni, our ambassadors in the society, are often invited for extending career guidance to our young scholars as well as doling out voluntary financial help for the development of their alma mater. The College has initiated the process of launching an Alumni Portal through its website to connect all the alumni of the College anywhere in India or abroad.

Student Service Centre

Student Service Centre promotes Physical Fitness, Sports, Health, Welfare, Psychological and Emotional well being of the students. This centre organises activities such as Yoga, Sports, Inter-College competitions and Motivational lectures on positive thinking to improve physical as well as mental health of the students.

Students' Grievance Redressal Committee (SGRC)

Students' Grievance Redressal Committee addresses the grievances of students regarding admission policies, conduct of examinations, complaints of discrimination and any type of harassment.

Internal Complaint Committee (ICC)

The college strives to provide a safe, healthy and congenial atmosphere to female staff and students, and harassment of any kind is not tolerated. In case of any incident of sexual harassment, the complaint may be forwarded through the Presiding Officer of ICC to the Principal. The same will be addressed within 30 days of its receipt.

Anti Ragging & Vigilance Awareness Committee

This committee has been constituted to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student which has the effect of teasing, treating or handling with rudeness or indulging in unfair means or undisciplined activities by any student which causes annoyance, hardship or psychological harm or to raise fear or apprehension. Ragging is totally banned in the College and anyone found guilty of ragging is liable to be punished as it is a criminal offence.

Employment Information Centre

The College Employment Opportunity Cell renders valuable services to the students by assisting and counselling them in the choice of their career. This Cell, managed by Prof Ullas Chopra, apprises the students of various job avenues available to them in their respective fields of study and also provides other required information.

Medical Care

The College Health Centre under the charge of Dr Ashwani Verma, a qualified Medical Officer, is equipped for providing first aid to the emergency cases. It regularly arranges the visits of the doctors, specialists in their fields, to create awareness among the staff and the students about the importance of health and hygiene.

Centre of Excellence for the Science of Happiness

This centre is designed to take one step by step journey through the science as well as the discovery of the road to happiness. Positive psychology, well being and the science of happiness have become almost a craze today with its stress, change and speed. The College has taken initiative to start this centre to aware the students about various concepts, causes, mechanisms, effects as well as practice of happiness from scientific and analytical perspective.

Women Empowerment Cum Grievance Redressal and Legal Literacy Cell

This Cell works under the patronship of the Principal of the College, Dr Amardeep Gupta, and convenorship of Prof Meenu Aggarwal with her team of teachers and students. This cell looks into the problems and needs of the lady staff members (both teaching and non-teaching) and the girl students. Renowned experts in various fields are invited every year to enlighten the teachers and girl students about their rights and responsibilities. International Women Day is observed with zeal & enthusiasm by this Cell.

Blood Donors' Association

Established in 1986, the Blood Donors' Association of the College is dedicated to fostering a sense of social responsibility among the students. The institution has collaborated with the government hospitals as well as various Blood Donor Societies. In case of emergencies, our students voluntarily step forward to donate blood and save precious lives.

Blood Donation Camps are regularly organized in the College every year under the patronage of Principal Dr. Amardeep Gupta and the supervision of Dr. B.B. Yadav, Incharge of the Blood Donors' Association, and Dr. Ashwani Verma, Medical Officer of the College. NCC Cadets (Infantry, Naval, and Air Wing), NSS volunteers,

students, and staff members (Teaching and Non-teaching) actively participate in this noble cause and contribute by donating blood every year.

To encourage this humanitarian spirit, the College honors blood donors by awarding appreciation certificates, prizes, and medals during the Annual Award Ceremony being held every year.

Social Commitments & Extension Services

DAV College, Amritsar patronizes a number of Institutes for persons with disabilities, rehabilitation centres etc. Many ambitious programmes for women empowerment and illiteracy eradication have been taken up by the College.

Gandhian Studies Centre is rendering a laudable service in the neighbouring rural areas through six-month Cutting and Tailoring Course for women aimed at making them financially independent.

In order to instill the value of community service into the students, the college regularly organises diverse activities like cleanliness drives in slum areas, health and hygiene awareness programmes for females, AIDS awareness camps, tree plantation, medical camps, environment awareness and blood donation camps.

PG Department of Computer Science & IT regularly organizes workshops for senior citizens/ merchants/ vendors on financial literacy aspects like use of plastic payments, mobile wallets, UPI/USSD, Netbanking, Paytm etc

The College also regularly organizes “Vigyan Mahotsava” to inculcate scientific temperament among young minds by inviting school students from Amritsar and adjoining areas. The teachers demonstrate interesting experiments to the students who are also given hands on experience of working with scientific instruments.

In order to channelize, sublimate and orientate the creative energies of the youth, the College provides training to the willing and enthusiastic students in the various cultural and literary areas:
