Ladies and Gentlemen, it is said that sports serve society by providing vivid examples of excellence. It is not the will to win in sports that matters; it is the will to **prepare to win** that matters. Distinguished sports persons make each practice day as their masterpiece. Challenges cause some to break; challenges cause some others to break records.

Hon'ble Dr. Inderbir Singh Nijjar, Cabinet Minister, Local Government, Parliamentary Affairs, Conservation of Land & Water and Administrative Reforms, Punjab, the Chief Guest of the Award Presentation of 66th Annual Sports and Athletic Meet, DAV College, Amritsar. Hon'ble Dr. Nijjar, as a candidate of Aam Admi Party got elected to Punjab Legislative Assembly from Amritsar South in February 2022. Hon'ble Dr. Nijjar is an illustrious son of this city. He was born on November 29, 1955 in village Ajnala district Amritsar. He had schooling from Garrison School, Jalandhar, Air Force Central School, Ambala, Punjab Public School, Nabha and St. Francis High School, Amritsar. Prior to MBBS, he studied at DAV College, Amritsar and Khalsa College, Amritsar. He did MBBS from Government Medical College, Srinagar and MD Radiology from Government Medical College, Amritsar.

Hon'ble Dr. Nijjar has been a private medical practitioner for 30 years and has managed Nijjar Scan Centre for 27 years. He is a former member of Guru Ram Das Charitable Hospital Trust which manages SGRD Institute of Medical Sciences & Research, SGRD Dental College and College of Nursing. His outstanding administrative and managerial skills are evident from his appointment as the President of Chief Khalsa Diwan, Amritsar, a branch of Indian Medical Association and as the President of Indian Radiology and Imaging Association for 2013-2014.

Hon'ble Dr. Nijjar has been actively contributing for the healthy environment of Amritsar. He has been passionately donating trees for over 20 years. He got a 4-acre park cleared of rubble in Ranjit Avenue and got more than 3000 trees and shrubs planted, some of them were from his own nursery.

My dear Sportspersons, the last two days belonged to you. These two days were much more than your performance. You competed in the spirit of Olympic values: excellence, friendship and respect. You are the role models for the youth. We are certain that you all will make us proud of your achievements in future also.

Hon'ble Dr. Ajay Gupta

Member of Legislative Assembly,
Central Constituency, Amritsar

Chief Guest of Inaugural Function

Hon'ble Dr. Ajay Gupta

**Member of Legislative Assembly,
Central Constituency, Amritsar**

Ladies and Gentlemen, There are three types of people: those who make it happen, those who watch it happen and those who wonder what happened. Sportspersons are those people who make things happen through hard work and determination. The sports arena and the Department of Physical Education have come together to demonstrate how sports persons succeed.

We feel honoured this morning in welcoming Hon'ble Dr Ajay Gupta, MLA of Amritsar Central constituency, as the Chief Guest of the Inaugural Ceremony of 66th Annual Sports & Athletic Meet DAV College, Amritsar. On behalf of our Patron Principal Dr. Amardeep Gupta, President Sports Board Dr Daizy Sharma, members of the Sports Board, members of the teaching and non-teaching faculty, sportspersons and students, I am privileged to welcome you to this great Institution.

Honesty, truthfulness, selflessness, consistency and morality are some of the core values for the amazing victory of Hon'ble Dr Ajay Gupta as a candidate of AamAdmi Party in the assembly elections of February 2022. Hon'ble Dr Gupta was the first non-BJP Councilor of the ward of Central Amritsar from 2002 to 2007. On the recommendation of the then Governor of Kerala, His Excellency Hon'ble RL Bhatia, Hon'ble Dr Gupta was nominated on the Board of Trustees, Ministry of Education, Government of India for 2012-2014.

Hon'ble Dr Ajay Gupta is a doctor by profession. He stood 9th in Punjab in the Pre-medical Test in 1978 and completed MBBS from the prestigious Government Medical College Amritsar in 1983. In 1985 he joined Guru Tegh Bahadur Hospital, Amritsar. In 1986, he started private clinic inside Hathi Gate Amritsar and in 1997, he established a 50-bedded multi-speciality Sanjeevan Hospital inside Lahori Gate Amritsar. As a medical practitioner he has been serving the masses for more than 30 years. He has actively undertaken many health check-up and vaccination drives especially for the downtrodden.

Covid-19 phase was miserable for the poor. In this phase, Hon'ble Dr Gupta rose to the occasion as a volunteer of the Aam Admi Party. He participated in the free distribution of ration to about 3000 needy families and distribution of more than 100 pulse oximeters to the covid patients.

Hon'ble Dr. Gupta, as a doctor, has seen human suffering from the closest quarter. He is a rational empathizer who understands and values human emotions. He is a bold public servant who courageously projects the genuine requirements of the people.

My dear Sportspersons, the next two are competition days. Compete hard in these two days with your friends and compete with full respect. You all are the role models for the future generations.

Finally, once again, I heartily welcome Hon'ble Dr Ajay Gupta and pray that you continue to serve humanity tirelessly for all times to follow. Jai Hind!

WE ARE NOT DREAMERS WE ARE THE ONES WHO DO NOT SLEEP

DAV College Amritsar reflects the core Indian values of 'service' and 'sacrifice' that are part of its Logo. Founded in 1955, in the first crucial decade of independent India, this Institution embodies the vision and aspirations of DAV College Managing Committee, New Delhi.

Promoting girls in different fields of education has been one of the many initiatives of the Government of India. As a humble step in this direction, introduction of co-education in the Arts stream from the academic session 2018-2019 marked another milestone in the history of the College. Principal Dr Amardeep Gupta Ji undertook this step keeping in view that there was no other institution in the heart of the city that could cater to the need of quality education in Arts to girls. Promptly taking the baton forward, the Department of Physical Education formed a number of teams of girls from the session 2019-2020. The Department raised the teams of Basketball, Softball, Football and Taekwondo for girls. It is for the second time that a separate section has been formed to accommodate girls who have opted for Physical Education as their optional subject.

Within a year, the women players of our College have given a tough challenge to their competitors who have been in the field for considerable number of years. The College girl team has won the top spot in the district in basketball and has bagged first in Inter-college Basketball (B-division) Tournament and stood first in National Youth Rural Games held in Amritsar.

We pray that, like the teams of the boys, the girls may also shine and bring laurels to this College.

The Department is exceedingly thankful to Principal Dr Amardeep Gupta for his innovative and commanding leadership and hopes that he continues to shower his blessings in future also.

Glimpses of Annual Sports & Athletic Meet

OUR GRATITUDE

Sharing the endurance and backbreaking work of our sports person in words would be touching tip of the iceberg. Endurance is not just the ability to bear hard thing but to turn it into glory. And the greatest glory lies in never failing, but in rising every time we fall. One should set one's goals and work hard to achieve them. Glory seems to be connected with action. Successful persons keep moving. They make mistake but don't quit. This moment of glory is the result of continuous and never ending hardwork of our institution.

Under the able guidance and ever ready co-operation extended to me and my team by our worthy Principal Dr. Amardeep Gupta and the President Sports Board Dr. Daizy Sharma; our sincere and vigorous efforts, commitment and diligence have produced excellent results. We have not only maintained but also scaled new heights in many areas of sports and athletics. We still feel that there is a room for improvement and we assure you. Ladies & Gentlemen, that we will leave no stone unturned to add many more ground breaking records in our kitty of achievements.

I am beholden to our revered Dr. Ajay Gupta Ji who acceded our humble request to grace the occasion as star guest of the sports meet. My special gratitude to Dr. Inderbir Singh Nijjar Ji, who took time for us out of his evidently busy schedule. I also take this opportunity to express my thanks to you all, Ladies and Gentlemen, for having so graciously accepted our invitation. Your presence here has illumined not only this arena but also our hearts and mind. I am also obliged to express my sincere thanks to the coaches of different sports disciplines for putting in their sincere efforts in preparing our sports persons for various competitions.

I accord my special thanks to the cadets and officers of all NCC & NSS Wings for their smart turnout and splendid March Past. I will be failing in my duty if I do not express my indebtedness and gratitude to my enthusiastic colleagues Dr. Vikas Bhardwaj and Dr. Sandeep Kumar for their sincere efforts and ever-willing co-operation offered in organizing this gala sports function of the college. I am extremely grateful to entire team especially Dr. Samriti Aggarwal, Dept of English, Shri Ashwani Sharma, Stenographer and Shri Amit Kumar for data feeding, computer typing work and preparation of this report. My sincere thanks are also due to Shri Arun Sekhri, Office Superintendent and Sh. Satish Sahni (CAO) and their entire team for extending wholehearted co-operation from the General Office & Account Office. My special thanks to the all the conveners and the members of the committees like hospitality committee, decoration committee, discipline committee and Press & Media Committee formed for the smooth and hassle-free conduct of the Sports Meet.

Thanks from the core of my heart to all the members of teaching and non-teaching staff associated with conduct of various athletic events. My heartiest congratulations to all the prize winners and student participants of the college, without whose participation, this function might not have been possible. Once again, I thank you all, Ladies and Gentlemen.
